# SEMINAR

**A Knowledge-Packed Seminar on CGMP:** We hosted an insightful seminar on CGMP, focusing on quality assurance, validation, and global regulatory compliance.

Shaping Future Experts: A Valuable Learning Experience at the Recent Workshop.

## Empowering Pharmacy Students for Global Careers:

An exciting seminar on “Pharmacy Beyond Boundaries,” where experts from Vyhgenics Pvt. Ltd. and Academically, Global Healthcare Academy highlighted international career opportunities, particularly in Australia and New Zealand, and the preparation required to succeed in licensure exams like KAPS and the Pharmacy Council of New Zealand's registration exam.

**Training for International Success:** Mr. Mushin Ahmed and Mr. Ameem, shared valuable insights on the growing demand for skilled pharmacists abroad, and how tailored online and offline training programs are helping students master key pharmaceutical concepts and successfully navigate the licensure process for global pharmacy practice.

# WEBINAR

**Exciting Industry Insights for Future Pharmacists:** ACG Films and Foils partnered with Harsha College of Pharmacy, to deliver an engaging webinar introducing students to pharmaceutical manufacturing and packaging.

**Bridging Theory and Practice:** The webinar connected theoretical knowledge with real-world applications, covering topics like drug safety, compliance, and the role of packaging in product quality, while preparing students for their visit to ACG's facilities.

# CONFERENCE

Through dynamic Poster Presentations, faculty and students displayed their pioneering research at the National Conference, enhancing collaboration and intellectual exchange.

Faculty and students came together to present their cutting-edge research at the International Conference, highlighting the power of collaboration and academic innovation.
