

List of Research Projects conducted for the last 4 years

Batch 2023-24

Sl.NO	Topic	Specialty	BATCH/ YEAR	NAME OF RESEARCHER	NAME OF RESEARCH GUIDE
1	Effectiveness of individual planned teaching programme on knowledge regarding prevention of decubitus ulcer in bed ridden patients among caretakers in selected hospitals at Bangalore	Medical surgical nursing	2023-24	Helen K	Mrs.Ayilya A.S
2	Evaluate the effectiveness of planned teaching programme on knowledge regarding lifestyle modification risk factors and home care management on coronary artery disease among patients undergone percutaneous coronary heart surgery in selected hospitals,at bangalore	Medical surgical nursing	2023-24	M.Amulya	Mrs.Ayilya A.S
3	A study to assess the knowledge and attitude regarding palliative care towards end stage of cancer patients among staff nurses in selected hospitals at banglore with a view to develop an information booklet in importance of palliative care	Medical Surgical nursing	2023-24	Malireddygari Mounika	Mrs.Ayilya A.S
4	A study to assess the effectiveness of planned teaching programme on knowledge regarding janani shishu suraksha karyakram services among antenatal mothers in selected PHC's Nelmangala,Bangalore.	Community health nursing	2023-24	KAVANA S.P	Mrs.Elaiyarasi
5	A study to assess the effectiveness of STP on knowledge regarding dental fluorosis among middle school children in selected rural schools at Nelmangala	Community	2023-24	Ramkumar	Mrs.Elaiyarasi
6	A study to assess the effectiveness of STP regarding menstrual hygiene among girls between the age group of 10-14 years in selected school at Banglore	Obstetrical and gynaecological nursing	2023-24	M Aswini	Prof .Ramya R

7	A study to assess to effectiveness of structured teaching programme on knowledge regarding prevention of nipple soreness among primigravida mothers in selected hospitals at Bangalore	Obstetrical and gynaecological nursing	2023-24	T P Ginu Poulouse	Prof .Ramya R
8	A study to assess the effectiveness of structured teaching programme on knowledge regarding safe neonatal transport among staff nurses in selected hospitals at Bangalore	Child health nursing	2023-24	Chandrashekar S	Mrs. Aswini nisha dsouza
9	A study to evaluate the effectiveness of self instructional module regarding expression and storage of breast milk among employed mothers at NICU in selected hospitals at Bangalore	Paediatric nursing	2023-24	Fernandasrita felicidade	Mrs. Aswini nisha dsouza
10	A study to assess the effectiveness of STP on knowledge regarding baby friendly hospital initiative among staff nurses in selected hospitals at Bangalore	Pediatric nursing	2023-24	Monika Bhalawi	Mrs. Aswini Nisha Dsouza
11	A study to evaluate the effectiveness of non nutritive sucking on feeding performances among preterm neonates admitted neonatal intensive care unit in selected hospitals at bangalore	Paediatric nursing	2023-24	Pugazhanthi E	Mrs. Aswini nisha dsouza
12	A study to assess the effectiveness of enhanced hands on skill in implementation of paediatric early warning score (PEWS) assesement on patient outcomes among staff nurses in paediatric intensive care unit (picu) in selected hospitals at bangalore	Paediatric nursing	2023-24	Shalini L	Mrs. Aswini nisha dsouza
13	Effectiveness ogf information education and communication (IEC) on knowledge regarding risk factors and prevention of suicidal behaviour among adolescents in selected PU colleges at Bangalore	Psychiatric nursing	2023-24	Hemanth Singh	Dr.Rajesh
14	A study to assess the effect of nomophobia,social appearance anxiety and loneliness among young adults in selected colleges at Bangalore with a view to develop an information booklet on nomophobia.	Psychiatric nursing	2023-2024	Manoj C	Dr. Rajesh

15	assessment on the prevalence of specific learning disabilities (dysgraphia) and its risk factors among school going children in selected primary schools at Bangalore with a view to develop an information booklet on instructional activities related to management of dysgraphia	Psychiatric nursing	2023-2024	Riya kumari	Dr. Rajesh
----	---	---------------------	-----------	-------------	------------

Batch 2022-23

Sl.NO	Topic	Specialty	BATCH/ YEAR	NAME OF RESEARCHER	NAME OF RESEARCH GUIDE
1	Assessment on prevalence of attention deficit hyperactivity disorder (ADHD). And its risk factors among school children in selected primary schools at Bangalore with a view to develop an information booklet on management of children with attention deficit.	Psychiatry nursing	2022-23	Subhranil Muhuri	Dr. R Rajesh
2	A study to assess the assessment on the knowledge regarding assistive technology for children with learning disabilities among school teachers in selected schools at Bangalore with a view to develop an information booklet on assistive technology	Psychiatry nursing	2022-23	Kamali. S	Dr. R Rajesh
3	"A study to evaluate the effectiveness of self-instructional module on post abortion care among staff nurses working in maternity wards of selected hospitals at Bangalore, Karnataka	OBG nursing	2022-23	Komal S C	Mrs Noorjan K S
4	A study to evaluate the effectiveness Of planned teaching programme on knowledge regarding phototherapy induced hypocalcemic in neonates with hyperbilirubinemia among staff nurses in selected paediatric hospitals at Bangalore."	Paediatric Nursing	2022-23	Shwetha GN	Mrs Ashwini Nisha D'souza
5	"A study to evaluate the effectiveness of structured teaching programme on knowledge and belief regarding thalassemia among care givers of thalassemia children in selected paediatric hospitals at Bangalore	Paediatric Nursing	2022-23	Manasa B N	Mrs Ashwini Nisha Dsouza
6	A study to evaluate the effectiveness of structured teaching programme on knowledge regarding global developmental delay among mothers of underfive children in selected pediatric hospitals at bangalore	Paediatric Nursing	2022-23	Mumthas Muhammed	Mrs Ashwini Nisha Dsouza
7	A study to evaluate the effectiveness of structured teaching programme on knowledge regarding home management of nephrotic syndrome	Paediatric Nursing	2022-23	Adharsh B	Mrs Ashwini Nisha Dsouza

	among mothers of children with nephrotic syndrome in selected paediatric hospitals at Bangalore				
8	A study to evaluate the effectiveness of school based life skills intervention for enhancing psychological well- being of secondary school students in selected high schools at Bangalore.	Psychiatry nursing	2022-23	Blessy Joseph	Dr. R Rajesh
9	A study to assess the effectiveness of planned teaching programme regarding occupational hazards and utilization of safety measures among construction labourers at selected construction sites at Bangalore.	Community health nursing	2022-23	Lachavolaudaya Ranjini	Mr. Vikas Y H
10	A study to assess the effectiveness of fenugreek seed powder in reducing blood sugar among patient with type 2 diabetes mellitus in selected community area at Bangalore.	Community health nursing	2022-23	Suma S D	Mr. Vikas Y H
11	"A study to assess the effectiveness of structured teaching programme on healthy life style among senior citizens residing in selected rural area of Bangalore	Community health nursing	2022-23	Sateesha Mokhasi	Mr. Vikas Y H
12	A study to assess the effectiveness of planned teaching programme on knowledge and preventive practices regarding sharp injuries among staff nurses of ICU in selected hospitals at Bangalore, Karnataka.	Medical surgical nursing	2022-23	Sudeshna Pal	Mrs. Ayilya
13	A study to assess the effectiveness of structured teaching programme on knowledge and practices on foot care instructions among diabetic patients in selected diabetic centres at Bangalore.	Medical surgical nursing	2022-23	Christy Jayan	Mrs. Ayilya
14	A study to assess effectiveness of structured teaching programme on knowledge of female foeticide and gender preference among primigravida mothers attending OPD in a selected hospital at Bangalore rural district	OBG nursing	2022-23	Sudeshna Pal	Mrs Noorjan K S

Batch 2021-22

Sl.NO	Topic	Specialty	BATCH/ YEAR	NAME OF RESEARCHER	NAME OF RESEARCH GUIDE
1	A study to assess the effectiveness of computer assisted teaching programme on knowledge and attitude regarding management of dengue haemorrhagic fever among staff at selected hospital at Bangalore , Karnataka	Medical surgical nursing	2021-2022	Jincy A Philip	Mrs. GLORY Jessima R
2	A study to assess the effectiveness of structured teaching programme on knowledge regarding lifestyle modification among clients with type 2 diabetes mellitus attending outpatient department at government hospital, Nelamangala.	Medical surgical nursing	2021-2022	Rehana Ahad	Mrs. GLORY Jessima R
3	A study to assess the effectiveness of structured teaching programme on knowledge regarding risk factors and prevention of peptic ulcer among middle aged population at Nelamangala.	Medical surgical nursing	2021-2022	Roshni Johny	Mrs. GLORY Jessima R
4	A study to assess the effectiveness of structured teaching programme on knowledge regarding risk factors and prevention of urinary tract infections among the patients with indwelling urinary catheter at government hospital at Nelamangala.	Medical surgical nursing	2021-2022	Sanhya Krishnan	Mrs. GLORY Jessima R
5	A study to assess the effectiveness of structured teaching programme on knowledge regarding life style modifications with chronic kidney disease at selected hospital at Nelamangala.	Medical surgical nursing	2021-2022	Tahira Majeed	Mrs. GLORY Jessima R
6	A study to assess the effectiveness of structured teaching programme on knowledge regarding immunization among the mothers of underfive children in selected rural areas at Bangalore.	Community health nursing	2021-2022	Ananda H R	Mr Chikkegowda H N
7	A study to assess the effectiveness of structured teaching programme on knowledge of managing common discomforts during pregnancy among primi gravida mothers at Bangalore.	Community health nursing	2021-2022	Veda K V	Mr Chikkegowda H N
8	A study to assess the problems experienced by the mothers of the babies admitted in the NICU of a selected hospital in Bangalore	OBG	2021-2022	Ceemol Begum	Mrs Noorjan K S
9	A study to assess the knowledge of mothers undergoing caesarean section on early ambulation for prevention of	OBG	2021-2022	Devi Ghosh	Mrs Noorjan K S

	minor postnatal discomforts with the view to develop self-instructional module in selected hospital, Bangalore				
10	A study to assess the effectiveness of structured teaching programme on knowledge regarding antenatal care among primi gravida mothers at the selected primary health centres at Bangalore.	OBG	2021-2022	Liji M George	Mrs Noorjan K S
11	A descriptive study to assess the awareness regarding maternal and child schemes and health care issues among mothers of rural areas in Bangalore	OBG	2021-2022	Saraswathi Parichha	Mrs Noorjan K S
12	A study to assess the knowledge of adolescents about the reproductive teenage pregnancy and sexually transmitted disease with the view to develop self-instructional module in selected school, Bangalore	OBG	2021-2022	Sajana Maria Saji	Mrs Noorjan K S
13	A study to assess the effectiveness of cumin water consumption in promoting hunger level among children 6-12 years of age admitted in paediatric ward in selected hospital Bangalore, karnataka	Paediatric nursing	2021-2022	Sudhirkumar	Mrs Chengamma
14	A study to assess the knowledge regarding the relationship between perception of body image and self-esteem among adolescents in selected school at Bangalore.	Psychiatry nursing	2021-2022	Amritha M S	Mrs Jacinta Roopa Mariyappa

Batch 2020-21

Sl.NO	Topic	Specialty	BATCH/YEAR	NAME OF RESEARCHER	NAME OF RESEARCH GUIDE
1	Effectiveness of structured teaching programme on knowledge regarding self-care management of patients with diabetes mellitus	Medical surgical nursing	2020-2021	Anurupa Das	Mrs. GLORY Jessima R
2	A study to assess the effectiveness of structured teaching programme regarding care of patient on ventilator among staff nurses working in clinical care setting in selected hospital Bangalore, Karnataka	Medical surgical nursing	2020-2021	Supurna Giri	Mrs. GLORY Jessima R
3	A comparative study to assess the knowledge and practice on cardio pulmonary resuscitation among ICU/CCU nurses in selected private hospital Bangalore.	Medical surgical nursing	2020-2021	Vidhyamol . C V	Mrs. GLORY Jessima R
4	A quasi experimental study to assess the effectiveness of gooseberry juice with honey on the level of haemoglobin among iron deficiency anaemic adolescent girls in selected nursing college at Bangalore.	Community health nursing	2020-2021	Sachin	Mr Chikkegowda H N

5	Effectiveness of structured teaching programme on knowledge regarding management of obstructed labour.	OBG	2020-2021	Preethi Carol D'souza	Mrs Noorjan K S
6	A study to assess the effectiveness of structured teaching programme On knowledge regarding neonatal jaundice and its management among antenatal mothers of selected hospital Bengaluru.	OBG	2020-2021	Gireesh Yalasangi	Mrs. GLORY Jessima R
7	Comparison of transcutaneous bilirubin estimation and serum bilirubin by biochemical estimation in assessing neonatal hyperbilirubinemia.	Paediatric nursing	2020-2021	Arpita N S	Mrs. Chengamma
8	A study to assess the effectiveness of video assisted teaching programme for school going children 6-12 with regards to emerging behavioural problem because of the excessive and unsupervised use of smart phone and internet in selected schools of Bangalore .	Psychiatry nursing	2020-2021	Sanoop K V	Mrs Jacinta Roopa Mariyappa
9	A study to assess the effectiveness of planned teaching programme on knowledge regarding prevention of mental illness among selected COVID warriors at selected hospital at Bangalore.	Psychiatry nursing	2020-2021	Priyanka Mishra	Mrs Jacinta Roopa Mariyappa
10	A comparative study on knowledge regarding mental health among first year BSc nursing and GNM students of Harsha college of nursing Bangalore.	Psychiatry nursing	2020-2021	Sunitha Elizabeth	Mrs Jacinta Roopa Mariyappa

RESEARCH PROJECT CONDUCTED BY UG STUDENTS (2023-24)

Sl.NO	Topic	Specialty	BATCH/ YEAR	NAME OF RESEARCHER	NAME OF RESEARCH GUIDE
1.	“A STUDY TO EVALUATE THE EFFECTIVENESS OF STRUCTURED TEACHING PROGRAMME ON KNOWLEDGE REGARDING SUBSTANCE ABUSE AND ITS ILL EFFECT AMONG ADULTS IN SELECTED COLLEGE AT BANGALORE.”	Mental health Nursing	4 th Year Bsc (N)	1. Akhilna 2. Daliya 3. Lidia 4. Amrutha 5. Vincy 6. Deepshakar 7. subhajit 8. Suman	Dr.Rajesh R
2.	“A DESCRIPTIVE STUDY TO ASSESS THE KNOWLEDGE OF YOUNG ADULTS REGARDING THE ADVERSE EFFECTS OF SOFT DRINK AT HARSHA COLLEGE CAMPUS PREMISES IN BANGALORE CITY ”	Medical Surgical Nursing	4 th Year Bsc (N)	1.Sresthashree Pantha 2.Shreyasri Dey 3.Nishani Malik 4.Anindita Hait 5.Laxmi Rijal 6.Sangita Seth 7.Sudip Dey 8Abir Bhattacharya 9.Sujit Singh	Mrs.Usha mam
3.	“A STUDY TO ASSESS THE KNOWLEDGE OF SELECTED WARNING SIGNS IN PREGNANCY AMONG ANTENATAL MOTHER IN HOSPITAL BANGALORE.”	OBG	4 th Year Bsc (N)	1.Aradhana 2.Riya 3.Meethu 4.Arghydip 5.Rupantar 6.Aahil 7.Teena 8.Saikat 9.Rehna	Mrs.Ramya Gowda
4.	"A STUDY TO ASSESS THE EFFECTIVENESS OF STRUCTURED TEACHING PROGRAMME REGARDING ROAD SAFETY MEASURES AMONG PRIMARY SCHOOL CHILDREN (8-10) YEARS AGE STUDYING IN SELECTED SCHOOL AT BANGALORE."	Child health Nursing	4 th Year Bsc (N)	1.Johnsy John 2.Lekshmi 3.Anuja 4.Anjali 5.Anjana 6.Ameesha 7.Don 8.Sofiul	Mrs.Puspha
5.	“BREAST SELF EXAMINATION IN TERMS OF KNOWLEDGE , ATTITUDE AND PRACTICE	Child Health Nursing	4 th Year Bsc (N)	1.Anu Antony 2.Aiswarya m Raj 3.Aggi santhosh 4.Aiswarya sasi 5.Alan santhosh 6Ajai T	Mrs. Ashwini

	AMONG NURSING STUDENTS.”			7.Joby john 8.Arпита babu	
6.	“A DESCRIPTIVE STUDY TO ASSESS THE KNOWLEDGE REGARDING PREVENTION AND MANAGEMENT OF WORM INFESTATION AMONG NURSING STUDENTS RESIDING AT A PG, BANGALORE WITH A VIEW TO DEVELOP SELF INSTRUCTIONAL MODULE.”	Medical Surgical Nursing	4th Year Bsc (N)	1.Anagha 2.Ananya 3.Alby 4.Christeena 5.Mamoni 6.Kailash 7.Yedhu Krishnan 8.Sahul 9.Lili	Mrs.Ayilya
